JANUARY 2025

VOORSITTER VERSLAG / A WORD FROM OUR CHAIRMAN

The KZN Provincial Meeting was held at Queensburgh Caravan Park on Saturday 08 February 2025 and matters concerning all the Regions in Natal Province were addressed. It was a very productive meeting with delegates and observers from all four regions in attendance. North Coast was represented by Ernst Bohm, Nickey Bohm, Lenie Scorgie & Jan Erasmus

Important Items discussed were:

1. Rally attendance at all regions has become a concern and regional committees are required to address this with their members.
2. The Bring-a-Buddy Rally scheduled for 21 – 23 March at Karridene has been put on hold. The rally will however still be held as a combined Natal Region/Midlands Rally on the same date and same Park. So, come Natal Members, let's turn up in our numbers and enjoy a great weekend with our Midlands family. We will be publishing more information about this Rally in due course so, keep your eyes on the App.
3. Rally Natal which will incorporate The Pedal Car Race and Banana Games is scheduled to be held at Karridene over the long-weekend 13 – 16 June. There is however some concern about the availability of Karridene as there are reports that the owners of the Caravan Park have planned to convert the park to a Timeshare/Residential complex and that construction will commence shortly. These reports have not been confirmed, and we will be contacting the park management to establish the correctness thereof. Added to this, should the park still be operational, the Penny-Pinchers will only be leaving their Rally on Friday 13th June.

..... Continue

This will naturally create logistical issues that will have to be addressed. Please be assured that the Rally will go ahead – even if we must find another venue. We will once again be hosting several visitors from the Northern Regions so let's make an all-out effort to make them feel welcome and bask in our unbeatable hospitality

The meeting was well supported by all and everyone got to speak and say what they needed as this was a mid-year meeting and with all the changes on various committees, there was no chairman reports or financial reports done. However the main reason for the meeting was to have a workshop in regards with Google Sheet and from what I gathered is, that this was a great success.

This is all from me now just know, my door is always open - I am just a phone call away. I will even be happy to chat over a cup of coffee! If anyone feels the need to discuss any concerns, don't hesitate.

Caravan greetings

Leon
